

# MEET YOUR MATCH

Here at the Winnipeg Humane Society we aim to make the best match possible when helping you to find a new best friend. To assist us in this goal we use an assessment tool called the Meet Your Match™ Feline-ality Adoption Program. All of our animals are tested to determine his or her characteristics including friendliness, playfulness, energy level, motivation and drive.

The following adopter survey is designed to gather information about your expectations of pet ownership and helps us determine the pet traits that best suits your lifestyle.
