

ASSOCIATE VETERINARIAN - FULL TIME WINNIPEG HUMANE SOCIETY

The Winnipeg Humane Society (“WHS”) is offering a unique and rewarding opportunity for a qualified candidate who wants to experience the rewards of shelter medicine and community veterinary support.

This is an opportunity for you to practice progressive and compassionate veterinary medicine.

Who we are:

The Winnipeg Humane Society is one of the most established and most progressive animal welfare establishments in Canada. Our mission is to protect all animals from suffering and to promote their welfare and dignity.

The successful applicant will join the team of 4 veterinarians, 6 veterinary technologists and the rest of the dedicated shelter staff. This job is diverse and fast-paced with a lot of variety and opportunity for growth within the career. We offer the best in veterinary medicine for animals in our care, pets belonging to low-income community members and pets living in remote areas of Manitoba. The WHS works closely with other Manitoba rescues, the City of Winnipeg Animal Services, and the Government of Manitoba Chief Veterinary Officer.

WHS performs over 6000 surgical procedures a year (spay/neuter, soft tissue, dentistry, orthopedic) and surgery is only ½ of what we do. We have in-house digital radiography, digital dental radiography, in-house blood machine, Tono-Pen, 3 surgery suites and a dental suite. We treat dogs, cats and exotics pets with a Fear Free approach, individual consideration, and exemplary veterinary medicine.

What you'll bring:

- Your in-depth knowledge and experience providing Critical Emergent Care Medicine, Surgical procedures and Behavioural Consultation;
- Your desire to consistently provide a preventive approach to veterinary medicine;
- Your enthusiasm and commitment to working in a fun, fast-paced environment focusing on fear free handling, community support and animal welfare;
- Your passion for what you do every day;
- Your exceptional communication skills and commitment to a high ethical standard;
- Your desire to collaborate and be part of the team;
- Your energy and a positive attitude;
- A strong desire to educate and build solid relationships with clients.

What we're looking for:

- Valid DVM license with the MVMA (or eligible to be licensed);
- At least one year of small animal surgical experience is an asset but not a requirement. Interest in surgery is a must;
- Excels at working as part of a team;
- Prior shelter experience is an asset but not a requirement.

The benefits of working at WHS:

We value veterinarians and prove it by supporting your personal, financial, and professional growth through:

- Continuing Education (CE) allowance
- Extended Health Benefits Package (Medical, Dental & Vision)
- Employee Assistance Program
- Paid Licensing & Membership dues
- Professional Liability Insurance coverage
- Paid Vacation time
- Generous Veterinary discounts
- Uniform allowance

How We Keep Our Team and Clients Safe:

We take everyone's safety very seriously. We have added safety measures so that our hospital can continue to provide essential services to animals in our region. We have implemented more intensive sanitation practices, a *closed waiting room policy*, advanced Covid-19 in-clinic protocols and other guidelines for physical distancing.
